

17TH MINI-WORKSHOP IN APPLIED AND COMPUTATIONAL MATHEMATICS

DECEMBER 28, 2015

ZISKIND Building, LECTURE ROOM 1

Researchers and students are invited to participate, present their work, meet and collaborate with their peers during the 17th Mini Workshop in Applied and Computational Mathematics. There will be only a few invited talks covering a wide spectrum of topics, with a highlight to the poster session.

The workshop will take place on December 28th 2015 in the Faculty of Mathematics and Computer Science, Weizmann Institute of Science.

[Registration](#) is free, but required - please help us by registering ASAP, optimally by December 10, 2015.

Final program available in website.
