Submission

One or two page abstracts for contributed papers should be submitted in common Latex format by **1 March, 2002**. And the electronic submission is strongly recommended. Abstracts and enquiries regarding the conference should be sent to Dr. Yanren Hou using the address on the right hand side. For authors who want to submit their abstracts by regular mail, please include a 3.5 inch floppy disk that contains the abstract. The notification of acceptance will be forwarded within one month after the submission.
